- A/an antes de som consonantal/vocalico, não letra.
- Uncountable nouns não levam a/an: water, information, advice.
- Advérbios de frequência: always > usually > often > sometimes > never.
- Although/though/even though introduzem contraste.
- Comparativos irregulares: good-better-best, bad-worse-worst.

Pegadinhas Comuns

- (!) Usar 'an' antes de 'university': o som é consonantal (yu), use 'a'.
- (!) Confundir Present Perfect com Simple Past quando há tempo definido.
- (!) Esquecer que 'its' (possessivo) não tem apóstrofo; 'it's' = it is.
- (!) Achar que todo advérbio termina em -ly: fast, hard, well são advérbios.
- (!) Trocar who (pessoas) por which (coisas) em orações relativas.
- (!) Usar 'more' com adjetivos curtos: diz-se 'taller', não 'more tall'.
